The lien for assessments levied by the Association shall be subject and subordinate to the lien for assessments and other charges levied against the Community by the Master Association.

The covenants, restrictions, and provisions of this Declaration shall be cumulative with those of the Master Declaration; however, in the event of conflict between or among the provisions of this Declaration, the By-Laws, Articles of Incorporation of Orchard Lake Homeowners Association, Inc., or rules of the Association (collectively, "Association Documents") and the Master Declaration, By-Laws of Forest Lakes Owners Association, Articles of Incorporation of Forest Lakes Owners Association, or rules of the Master Association (collectively, "Master Documents") the provisions of the Master Documents shall control. 3.1. Property Subjected To This Declaration.

The real property which is subject to the covenants and restrictions contained in this Declaration is the real property described in Exhibit "A."

3.2. Other Property.

Only the real property described in Section 2.1 is made subject to this Declaration. However, Declarant may subject all or portions of the additional real property described in Exhibit "B" by recording one or more Supplementary Declarations.

ARTICLE IV. ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

4.1. Membership.

Every Owner shall be deemed to have a membership in the Association. If a Lot is owned by more than one Person, there shall be only one (1) membership per Lot, and the votes and rights of use and enjoyment shall be as provided in this Declaration and in the By-Laws. Membership shall be appurtenant to and may not be separated from ownership of any Lot. The rights and privileges of membership, including the right to vote and to hold office, may be exercised by a Member or the Member's spouse, but in no event shall more than one (1) vote be cast nor office held for each Lot owned.

4.2. Voting.

Members shall be entitled to one (1) vote for each Lot owned. When more than one (1) Person holds an ownership interest in any Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise the Secretary prior to any meeting. The Lot's vote shall be suspended in the event more than one (1) Person seeks to exercise it.

ARTICLE V. ASSESSMENTS

5.1. Purpose of Assessment.

The assessments provided for in this Declaration shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners and Occupants of Lots, as may be authorized from time to time by the Board.

5.2. Creation of the Lien and Personal Obligation for Assessments.

Each Owner agrees to timely pay to the Association: (a) annual assessments or charges; (b) special assessments; and (c) specific assessments against any particular Lot which are established pursuant to the terms of this Declaration. Each Owner also agrees to pay reasonable fines as may be imposed in accordance with the terms of this Declaration.

5.3. Late Charges.

All assessments, shall accrue late charges, interest (not to exceed the lesser of the maximum rate permitted by law or eighteen percent (18%) per annum on the principal amount due), costs, including without limitation, reasonable attorneys' fees actually incurred. The assessments and charges shall be a continuing lien upon the Lot against which each assessment is made, and shall also be the personal obligation of the person who was the Owner of such Lot at the time the assessment fell due.

5.4. Personal Liability.

Each Owner shall be personally liable for the portion of each assessment coming due while the Owner of a Lot, and each grantee of an Owner shall be jointly and severally liable for the assessments which are due at the time of conveyance; however, the liability of a grantee for the unpaid assessments of its grantor shall not apply to any first Mortgagee taking title through foreclosure proceedings.

5.5. Certificate of Payment.

The Association shall, within ten (10) business days after receiving a written request, furnish a certificate signed by an officer of the Association setting forth whether the assessments, other charges, and fines on a specified Lot have been paid. A properly executed certificate shall

be binding upon the Association, the Board, and the Owner as of the date of issuance. The Board shall have the right to impose a reasonable charge for providing this certificate.

5.6. Annual Assessments.

Annual assessments shall be levied equally on all similarly situated Lots and shall be paid in such manner and on such dates as may be fixed by the Board. The Board may allow annual assessments to be paid through periodic payments, and the Board shall have the right to accelerate any unpaid annual installments in the event an Owner is delinquent. Unless otherwise provided by the Board, the assessment shall be paid in annual installments.

5.7. Computation of Annual Assessments.

The Board shall prepare a proposed budget covering the estimated costs of operating the Association during the coming year, which may include a capital contribution or reserve. The Board shall set a date for a meeting of the Owners to consider ratification of the budget, such meeting to be held not less than ten (10) nor more than thirty (30) days after the mailing of the notice. The Board shall cause the proposed budget, the assessments, and a notice of the meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum, to be mailed or delivered to each Member at least thirty (30) days prior to the end of the current fiscal year. Quorum need not be present at the meeting. The budget and the assessment shall become effective unless disapproved at such meeting by a majority of the Total Association Vote. In the event the membership disapproves the proposed budget, or the Board fails to establish a budget for the succeeding year, the budget in effect for the then current year shall continue for the succeeding year until changed by the Board. In the event the Board's budget is disallowed, the Board shall have the right to make a new budget retroactive to the start of the fiscal year.

5.8. Special Assessments.

In addition to the other assessments authorized by this Declaration, the Association may levy special assessments from time to time. Special assessments must be approved at a meeting by two-thirds (2/3) of the Total Association Vote. Special assessments shall be paid as determined by the Board, and the Board may permit special assessments to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

5.9. Lien for Assessment.

All sums assessed against any Lot, Owner, or member pursuant to this Declaration shall be secured by a lien on such Lot in favor of the Association.

5.10. Priority.

The lien of the Association shall be superior to all other liens and encumbrances on such Lot, except for (a) liens for ad valorem taxes; (b) liens for all sums unpaid on a first priority

Mortgage or Deed to Secure Debt, or (c) a lien arising by virtue of any Mortgage in favor of Declarant which is duly recorded in the land records of the county where the Community is located. All other Persons acquiring liens or encumbrances on any Lot after this Declaration shall have been recorded shall be deemed to acknowledge that their liens shall be inferior to the lien of the Association for assessments in existence at that time or which arise in the future.

5.11. Effect of Nonpayment of Assessment.

Any assessments (or installments) which are not paid when due shall be delinquent. Any assessment (or installment) which is delinquent for a period of more than ten (10) days shall incur a late charge in an amount set by the Board. If the Assessment is not paid within thirty (30) days, a lien shall attach upon filing a claim of lien in the office of the Register of Deeds of the county in which the Lot is located. The lien shall set forth the name and address of the Association, the name of the Owner of the Lot, a description of the Lot, and cover all assessments then due or which come due until the lien is canceled of record, and any other amounts provided in this Declaration or permitted by law. In the event that the assessment remains unpaid after thirty (30) days, the Association may institute suit to collect such amounts and foreclose its lien. The Association shall have the right to foreclose its lien by any method allowed by law. The Association shall have the power to bid on the Lot at any foreclosure sale or to acquire, hold, lease, mortgage, or convey the same.

5.12. No Setoff or Deduction.

No Owner may waive or otherwise exempt himself from liability for the assessments provided for in this Declaration. No setoff, diminution, or abatement of any assessment shall be claimed or allowed by reason of any alleged failure of the Association to take some action, for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority. The obligation to pay assessments is a separate and independent covenant on the part of each Owner and is not subject to setoff.

5.13. Application of Payments.

All payments shall be applied first to costs, then to late charges, then to interest, and then to delinquent assessments.

5.14. Date of Commencement of Assessments.

Assessments shall start on the first day of the month following the sale of the Lot to a Person. However, the sale of a Lot to a Person for the purpose of construction of a home and subsequent sale of that newly constructed home shall not cause assessments to commence. The first annual assessment shall be adjusted according to the number of days then remaining in that fiscal year.

5.15. Specific Assessment.

The Board shall have the power to specifically assess pursuant to this Section as it shall deem appropriate, in its sole discretion. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board of Directors and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future. The Board may also specifically assess Owners for the following Association expenses (except for expenses incurred for maintenance and repair of items which are the maintenance responsibility of the Association):

- a. Expenses of the Association which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots which are benefited according to the benefit received; and
- b. Expenses of the Association which benefit all Lots, but which do not provide an equal benefit to all Lots, may be assessed equitably among all Lots according to the benefit received.

5.16. Budget Deficits During Declarant Control.

For so long as the Declarant has the authority to appoint the directors and officers of the Association, Declarant may (but shall not be required to):

- a. Advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association and the sum of the annual, special, and specific assessments collected by the Association in any fiscal year. Such advances shall, upon request of Declarant, be evidenced by promissory notes from the Association in favor of the Declarant. The failure of Declarant to obtain a promissory note shall not invalidate the debt; or
- b. Cause the Association to borrow such amount, or a general borrowing, from a third party at the then prevailing rates for such a loan in the local area of the Community. Declarant, in its sole discretion, may guarantee repayment of such loan, if required by the lending institution, but no Mortgage secured by the Common Property or any of the improvements maintained by the Association shall be given in connection with such loan; or
- c. Acquire property for, or provide services to, the Association or the Common Property. Declarant shall designate the value of the property or the services provided and such amounts, at the request of the Declarant, be evidenced by a promissory note. Failure to obtain a promissory note shall not invalidate the obligation referred to in this Section.

5.17 Assessments Levied by Master Association.

The obligation to pay assessments referenced herein shall be in addition to and not lieu of the obligation to pay assessments to the Master Association, as described in the Master Declaration.

ARTICLE VI. MAINTENANCE & CONVEYANCE OF COMMON PROPERTY TO ASSOCIATION

6.1. Association's Responsibility.

The Association shall maintain in good repair the Common Property, including (without limitation), maintenance, repair, and replacement of all landscaping and improvements situated on the Common Property. The Association shall also maintain all lakes and associated dams in or about the Subdivision or any lot thereon, to the extent maintenance of such lake is required and the lake is not otherwise maintained by a governmental entity or third party.

a. The Association shall also maintain all entry features, and common areas, operate and maintain street lights (if not maintained and operated by a governmental entity) for the Community including the expenses for water and electricity, if any, provided to all such entry features; all storm water detention facilities and easements serving the Community (to the extent such facilities and easements are not maintained by a governmental entity); and all property outside of Lots located within the Community which was originally maintained by Declarant.

b. The Association shall have the right, but not the obligation, to maintain other property not owned by the Association, within the Community, where the Board has determined that such maintenance would benefit the Owners.

c. In the event that the Association determines that the need for maintenance, repair, or replacement of property described in (a) or (b) above is caused through the willful or negligent act of an Owner, or the family, guests, lessees, or invitees of any Owner, and is not covered or paid for by insurance, in whole or in part, then the Association may perform such maintenance, repair, or replacement at such Owner's sole cost and expense, and all costs thereof shall be an Assessment against such Owner subject to the Association's lien and collection rights provided for in this Declaration. Such Owner may request a hearing by the Board of Directors, or an adjudicatory panel appointed by the Board, to determine responsibility for the damages if the monetary amounts involved are less than or equal to the jurisdictional amount established for small claims under North Carolina law. The hearing shall afford notice of the charge to the Owner, an opportunity for the Owner to be heard and to present evidence, and a notice of decision by the Board. The Board of Directors or its appointees may not assess liability in an amount in excess of the jurisdictional amount established for small claims under North Carolina law.

d. The maintenance shall be performed consistent with the Community-Wide Standard.

6.2. Owner's Responsibility.

Except as provided in Section 6.1 above, all maintenance of the Lot and all structures, parking areas, landscaping, and other improvements thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community-Wide Standard and this Declaration. In the event that the Board determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair, or replacement of items for which such Owner is responsible, the Association may perform such maintenance, repair, or replacement for the Owner at the expense of the Owner. Except in an emergency situation, the Association shall give the Owner written notice of the Association's intent to provide such necessary maintenance, repair, or replacement. The notice shall set forth with reasonable particularity the maintenance, repairs, or replacement deemed necessary. The Owner shall have ten (10) days after receipt of such notice within which to complete such maintenance, repair, or replacement, or, in the event that such maintenance, repair, or replacement is not capable of completion within a ten (10) day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair, or replacement at such Owner's sole cost and expense, and all costs shall be an assessment against the Owner.

6.3. Conveyance of Common Property by Declarant to Association.

The Declarant may convey to the Association any personal property, any improved or unimproved real property, leasehold, easement, or other property interest located within or adjacent to the Community. Such conveyance shall be accepted by the Association, and the property shall thereafter be Common Property to be maintained by the Association for the benefit of all or a part of its members. Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section.

ARTICLE VII. USE RESTRICTIONS AND RULES

7.1. General.

This Section sets out certain use restrictions which must be complied with by all Owners and Occupants. These use restrictions may only be amended as provided in this Declaration. In addition, the Board may, from time to time, without consent of the members, promulgate, modify, or delete other use restrictions and rules and regulations applicable to the Community. Such use restrictions and rules shall be distributed to all Owners and Occupants prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled, or modified in a regular or special meeting by a majority of the Total Association Vote.

7.2. Residential Use.

All Lots shall be used for residential purposes exclusively. No business or business activity shall be carried on, in, or upon any Lot at any time except with the written approval of the Board. Leasing of a Lot shall not be considered a business or business activity. However, the Board may permit a Lot to be used for business purposes so long as such business, in the sole discretion of the Board, does not otherwise violate the provisions of the Declaration or By-Laws, does not create a disturbance, and does not unduly increase traffic flow or parking congestion. The Board may issue rules regarding permitted business activities. The Declarant shall have the right to operate a sales office and a construction office from one or more Lots within the Community.

7.3. Architectural Standards.

No exterior construction, alteration, addition, or erection of any nature whatsoever shall be commenced or placed upon any part of the Community, except such as is installed by the Declarant, or as is approved in accordance with this Section, or as is otherwise expressly permitted herein. Except as provided above, no exterior construction, addition, erection, or alteration shall be made unless and until plans and specifications showing at least the nature, kind, shape, height, materials, and location shall have been submitted in writing to and approved by an Architectural Review Committee to be established by the Board.

a. The Architectural Review Committee may be established such that it is divided into two (2) subcommittees, with one (1) subcommittee having jurisdiction over modifications and the other having jurisdiction over new construction.

b. The Board may employ architects, engineers, or other persons as it deems necessary to enable the Architectural Review Committee to perform its review.

c. The Architectural Review Committee may, from time to time, delegate any of its rights or responsibilities hereunder to one (1) or more duly licensed architects or other qualified Persons, which shall have full authority to act on behalf of the committee for all matters delegated.

d. Written design guidelines and procedures shall be promulgated for the exercise of this review, which guidelines may provide for a review fee.

e. So long as the Declarant owns any property for development or sale in the Community, the Declarant shall have the right to appoint all members of the Architectural Review Committee. Upon the expiration or earlier surrender in writing of such right, the Board shall appoint the members of the Architectural Review Committee.

f. If the Architectural Review Committee fails to approve or to disapprove submitted plans and specifications within sixty (60) days after the plans and specifications have been submitted to it, approval will not be required, and this Section will be deemed to have been fully complied with. As a condition of approval under this Section, each Owner, on behalf of such Owner and such Owner's successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement, and insurance to and on any change, modification, addition, or alteration. In the discretion of the Architectural Review Committee, an Owner may be made to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of such Owner and such Owner's successors-in-interest. The Architectural Review Committee shall be the sole arbiter of such plans and may withhold approval for any reason, including purely aesthetic considerations, and it shall be entitled to stop any construction commenced in violation of these restrictions. Any member of the Board or its representatives shall have the right, during reasonable hours and after reasonable notice, to enter upon any property to inspect for the purpose of ascertaining whether or not these Persons shall not be deemed guilty of trespass by reason of such entry. In addition to any other remedies available to the Association, in the event of noncompliance with this Section, the Board may, as provided in this Declaration, record in the appropriate land records a notice of violation naming the violating Owner.

g. Plans and specifications are not approved for engineering or structural design or quality of materials, and by approving such plans and specifications neither the Architectural Review Committee, the members thereof, nor the Association assumes liability or responsibility therefor, nor for any defect in any structure constructed from such plans and specifications. Neither Declarant, the Association, the Architectural Review Committee, the Board, nor the officers, directors, members, employees, and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any Owner of property affected by these restrictions by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every Person who submits plans or specifications and every Owner agrees that such Person or Owner will not bring any action or suit against Declarant, the Association, the Architectural Review Committee, the Board, or the officers, directors, members, employees, and agents of any board, or the officers, directors, members, employees, and agents of any of them to recover any damages and hereby releases, remises, quitclaims, and covenants not to sue for all claims, demands, and causes of action arising out of or in connection with any judgment, negligence, or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands, and causes of action not known at the time the release is given.

h. Signs. No sign of any kind shall be erected by an Owner or Occupant within the Community without the prior written consent of the Architectural Review Committee. Notwithstanding the foregoing, the Board, and the Declarant shall have the right to erect reasonable and appropriate signs. "For Sale" and "For Rent" signs and security signs consistent with the Community-Wide Standard and any signs required by legal proceedings may be erected upon any Lot. The provisions of this Section shall not apply to any Person holding a Mortgage

who becomes the Owner of any Lot as purchaser at a judicial or foreclosure sale conducted with respect to a first Mortgage or as transferee pursuant to any proceeding in lieu thereof.

i. Vehicles. The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go-carts, trucks, campers, buses, vans, and automobiles.

The following activities are prohibited within the Community unless expressly authorized by, and then subject to such conditions as may be imposed by, the Board of Directors:

i. Parking of any vehicles on streets or thoroughfares within the Community, or parking of commercial vehicles or equipment, mobile homes, recreational vehicles, boats and other watercraft, trailers, stored or inoperable vehicles in places other than enclosed garages; provided, construction, service, and delivery vehicles shall be exempt from this provision during daylight hours for such period of time as is reasonably necessary to provide service or to make a delivery to a Lot or the Common Areas;

ii. Garage doors shall be kept closed at all times, except during times of ingress and egress from the garage;

iii. Any boat, motorhome, trailer, or recreational vehicle left upon any portion of the Community for longer than five (5) consecutive days is subject to removal upon written notice from the Association to the Owners of such boat, motorhome, trailer, or recreational vehicle, and the costs of such removal shall be an assessment against such Owner.

iv. Trucks with mounted campers which are an Owner's or Occupant's primary means of transportation shall not be considered recreational vehicles, provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal.

j. Off Road. No motorized vehicles shall be permitted on pathways or unpaved Common Property except for public safety vehicles and vehicles authorized by the Board.

k. Leasing. Lots may be leased for residential purposes. All leases shall have a minimum term of at least six (6) months. All leases shall require, without limitation, that the tenant acknowledge receipt of a copy of the Declaration, By-Laws, use restrictions, and rules and regulations of the Association. The lease shall also obligate the tenant to comply with the foregoing and shall provide that in the event of noncompliance, the Board, in addition to any other remedies available to it, may evict the tenant on behalf of the Owner and specifically assess all costs associated therewith against the Owner and the Owner's property.

l. Occupants Bound. All provisions of the Declaration, By-Laws, and of any rules and regulations, use restrictions, or design guidelines promulgated pursuant thereto which govern

the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants even though Occupants are not specifically mentioned. Fines may be levied against Owners or Occupants. If a fine is first levied against an Occupant and is not timely paid, the fine may then be levied against the Owner.

m. Animals and Pets. No animals, livestock, or poultry of any kind may be raised, bred, kept, or permitted on any Lot, with the exception of dogs, cats, or other usual and common household pets in reasonable number, as determined by the Board. No pets shall be kept, bred, or maintained for any commercial purpose. Dogs which are household pets shall be kept on a leash when outside of an Owner's residence. No pet which has caused any damage or injury shall be walked in the community, whether on a leash or otherwise. All pets shall be registered, licensed, and vaccinated as required by law. Pets which endanger health, make objectionable noise, or constitute a nuisance or inconvenience to the Owners or Occupants must be removed by their Owner upon request of the Board.

n. Nuisance. It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her property. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the Occupants of surrounding property. No noxious or offensive activity shall be carried on within the Community, nor shall anything be done tending to cause embarrassment, discomfort, annoyance, or nuisance to any Person using any property within the Community. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the community. Without limiting the generality of the foregoing, no speaker, horn, whistle, siren, bell, amplifier, or other sound device, except such devices as may be used exclusively for security purposes or as approved by the ARC, shall be located, installed, or maintained upon the exterior of any Lot unless required by law.

o. Unsightly or Unkempt Conditions. The pursuit of hobbies or other activities, including, without limitation, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken in any part of the Community.

p. Antennas. No satellite dishes, antennas, and similar devices for the transmission of television, radio, satellite, or other signals of any kind shall be placed, allowed, or maintained within the Community, except that Declarant and the Association shall have the right, without the obligation, to erect or install and maintain any such apparatus for the benefit of all or a portion of the Community, and (i) satellite dishes designed to receive direct broadcast satellite service which are one meter or less in diameter; (ii) satellite dishes designed to receive video programming services via multi-point distribution services which are one meter or less in

diameter or diagonal measurement; or (iii) antennas designed to receive television broadcast signals ((i), (ii), and (iii), collectively, "Permitted Devices") shall be permitted, *provided that* any such Permitted Device is placed in the least conspicuous location on the Lot (generally being the rear of the Lot) at which an acceptable quality signal can be received and is not visible from the street, Common Area, or neighboring property or is screened from the view of adjacent Lots in a manner consistent with the Community-Wide Standard and any design guidelines.

q. Tree Removal. No trees that are more than four (4) inches in diameter at a point two (2) feet above the ground shall be removed without the prior written consent of the Architectural Review Committee. However, no flowering trees, including, without limitation, dogwood trees, regardless of their diameter, shall be removed without the prior written consent of the Architectural Review Committee. Notwithstanding all of the above, no consent or approval is required for the removal of any trees, regardless of their diameter, that are located within ten (10) feet of a drainage area, a septic field, a sidewalk, a residence, a driveway, or the line formed by the highest normal pool elevation of any lake.

r. Drainage. Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner or Occupant may alter, obstruct, or rechannel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains, the right to alter same being expressly reserved to Declarant.

s. Sight Distance at Intersections. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain where it would create a traffic or sight problem.

t. Garbage Cans, Woodpiles, Etc. All garbage cans, woodpiles, hot tubs, spas, and related equipment, and other similar items shall be located or screened so as to be concealed from view of neighboring streets and property. All rubbish, trash, and garbage shall be regularly removed and shall not be allowed to accumulate. Declarant reserves the right to dump and bury rocks on property within the Community as needed for efficient construction and to allow developers and builders within the Community to bury rocks removed from a building site. Trash, garbage, debris, or other waste matter of any kind may not be burned within the Community except that Declarant may maintain a "burn pit" during development and construction of the Community.

u. Subdivision of Lot. No Lot shall be subdivided or its boundary lines changed except with the prior written approval of the Architectural Review Committee. Declarant, however, hereby expressly reserves the right to replat any Lot or Lots owned by Declarant. Any such division, boundary line change, or replatting shall not be in violation of the applicable subdivision and zoning regulations. Declarant's right to replat any Lot shall include the right to change the configuration of streets and otherwise make changes on the final plat for the Community as to how the streets and common areas in the Community are laid out.

y. Guns. The use of firearms in the Community is prohibited. The term "firearms" includes rifles, pistols, "BB" guns, pellet guns, and small firearms of all types.

w. Fences. No fence or fencing type barrier of any kind shall be placed, erected, allowed, or maintained upon any Lot without the prior written consent of the Architectural Review Committee. Under no circumstances shall any fence be placed, erected, allowed, or maintained upon any Lot closer to the street than the rear one-third (1/3) of the residence located on the Lot. (Generally, only shadow-box style privacy fencing, or scalloped single faced privacy fence whose pickets are spaced a minimum one and one half inches (1 1/2") apart and with picket's facing outward or away from the Lot, constructed of six (6) foot maximum height, dog-eared, unpainted cedar, or four (4) foot maximum height rough sawn open board or split rail, unpainted cedar fencing shall be approved by the Architectural Review Committee.) Notwithstanding the foregoing, the Declarant shall have the right to erect fencing of any type, at any location, or on any Lot during the period that such Lot is being used by Declarant as a model home, or on Common Property, in, or on buffers (such buffers being designated by final plat), and are specifically for the purpose of creating, adding to, or maintaining privacy or buffer enhancement for the common good of the community. The Board of Directors shall have the right to erect fencing of any type considered appropriate or desirable by the Board at any location on the Common Property.

x. Utility Lines. No overhead utility lines, including lines for cable television, shall be permitted within the Community, except for temporary lines as required during construction, and lines installed by or at the request of Declarant.

y. Air Conditioning Units. No window air conditioning units may be installed.

z. Lighting. Except as may be permitted by the Architectural Review Committee, exterior lighting visible from the street shall not be permitted except for (a) approved lighting as originally installed on a Lot; (b) one (1) decorative post light, either gas or electric; (c) street lights in conformity with an established street lighting program for the Community; (d) seasonal decorative lights; or (e) front house illumination of model homes.

aa. Artificial Vegetation, Exterior Sculpture, and Similar Items. No artificial vegetation shall be permitted on the exterior of any property. Exterior sculpture, fountains, flags, and similar items must be approved by the Architectural Review Committee.

bb. Energy Conservation Equipment. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed unless they are an integral and harmonious part of the architectural design of a structure, as determined in the sole discretion of the Architectural Review Committee.

cc. Swimming Pools and Hot Tubs. No swimming pool shall be constructed, erected, or maintained upon any Lot without the express prior written approval of the Architectural

Review Board and/or Board. Hot tubs and portable spas shall not be permitted without the prior written consent of the Architectural Review Committee and then only if enclosed by an approved fence, or substantial dense evergreen landscape buffer.

dd. Gardens and Play Equipment. No vegetable garden or play equipment (including, without limitation, basketball goals) shall be erected on any Lot without the prior written consent of the Architectural Review Committee, and any such items must be located between the rear dwelling line and the rear lot line. Without limiting the foregoing, basketball goals may be installed providing they are constructed of black poles, permanently mounted, not visible from the street, and the Architectural Review Committee approves the location, height, and type of goal and post.

ee. Mailboxes. All mailboxes located on Lots shall be of a similar style approved by the Architectural Review Committee. Replacement mailboxes may be installed after the type has been approved in writing by the Architectural Review Committee.

ff. Exteriors. Any change to the exterior color of any improvement located on a Lot, including, without limitation, the dwelling, must be approved by the Architectural Review Committee.

gg. Clothesline. No exterior clotheslines of any type shall be permitted upon any Lot.

hh. Exterior Security Devices. No exterior security devices, including, without limitation, window bars, shall be permitted on any residence or Lot. Signs less than 6" by 6" placed on the Lot or the exterior of the residence stating that such residence is protected by a security system shall not be deemed to constitute an exterior security device.

ii. Entry Features. Owners shall not alter, remove, or add improvements to any entry features constructed by the Declarant on any Lot, or any part of any easement area associated therewith without the prior written consent of the Architectural Review Committee.

jj. Storage Sheds and Garages. Construction, installation, or placement of a storage shed, tree house, play house, detached garage, or a building separate from the main house on the Lot is not permitted without the prior written consent of the Architectural Review Committee, in its sole discretion. All plans (which must include the length, width, height, materials, colors, and location) must be submitted to the Architectural Review Committee for written approval prior to obtaining building permits or starting construction. The structure must be constructed, installed, or placed in a location inconspicuous as much as possible from public view. No two story structures of this nature are permitted on any Lot within the Community. All materials used in the construction of such buildings must match the main dwelling located on the Lot.

Owners shall have no riparian rights with respect to the waters in any lake or stream within the Community and shall not be permitted to withdraw water from any lake or stream as

may exist in the Community or as are made available for the use of all Owners and Occupants within the Community without the prior written consent of the Board or its designee. As long as the Declarant has the right unilaterally to subject property to this Declaration or owns any property in the Community for development and/or sale, Declarant may authorize and grant easements to withdraw water from such lakes or streams without the consent of the Association.

Notwithstanding anything contained in this Declaration to the contrary, no vegetable gardens, hammocks, statuary, swing sets or similar play equipment, basketball goals or similar athletic equipment, boats or boating equipment, pools, fences, clothes drying equipment, dog houses, dog runs or other pet enclosures, signs, retaining walls, or any other structure or thing which, in the sole discretion of the Board or its designee, tends to detract from the appearance of the Community, and especially any lake, shall be permitted on any Lot which abuts or is appurtenant to any lake within the Community or any lake made available for the use of all Owners and Occupants within the Community, without the prior written consent of the Architecture Review Committee or its designee.

ARTICLE VIII. INSURANCE AND CASUALTY LOSSES

8.1. Insurance on Common Property.

The Board of Directors or the duly authorized agent of the Association shall have the authority to and shall obtain insurance for all insurable improvements whether or not located on the Common Property which the Association is obligated to maintain. This insurance shall provide, at a minimum, fire and extended coverage, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. Alternatively, the Board may purchase "all-risk" coverage in like amounts.

8.2. Liability Insurance.

The Board shall obtain a general commercial liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least one million dollars (\$1,000,000.00). If available, the Board is authorized to obtain directors' and officers' liability insurance coverage.

8.3. Declarant.

The Board is authorized to obtain the insurance coverage required hereunder through the Declarant and to reimburse Declarant for the cost thereof. The Board shall not be required to comply with the provisions of this Section if the Board has contracted for or otherwise arranged to obtain the required insurance coverage through the Declarant.

8.4. Premiums.

Premiums for all insurance shall be common expenses of the Association. The policies may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the full replacement cost.

8.5. Miscellaneous.

All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association, as trustee for the respective benefited parties, as further identified below. Such insurance shall comply with these provisions:

a. All policies shall be written with a company authorized to do business in North Carolina.

b. Exclusive authority to settle losses under policies obtained by the Association shall be vested in the Association's Board of Directors; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

c. In no event shall the insurance coverage obtained and maintained by the Association be brought into contribution with insurance purchased by individual Owners, Occupants, or their Mortgagees, and the insurance carried by the Association shall be primary.

d. All casualty insurance policies shall have an inflation guard endorsement and an agreed amount endorsement if these are reasonably available and all insurance policies shall be reviewed annually.

e. The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

i. A waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the Owners and their respective tenants, servants, agents, and guests;

ii. A waiver by the insurer of its rights to repair and reconstruct instead of paying cash;

iii. That no policy may be canceled, invalidated, or suspended on account of any one or more individual Owners;

iv. That no policy may be canceled, subjected to nonrenewal, invalidated, or suspended on account of any defect or the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect or to cease the conduct and the allowance of a reasonable time thereafter within which a cure may be effected by the Association, its manager, any Owner or Mortgagee;

v. That any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

vi. That no policy may be canceled, subjected to nonrenewal, or substantially modified without at least thirty (30) days prior written notice to the Association.

f. In addition to the other insurance required by this Section, the Board shall obtain worker's compensation insurance, if and to the extent necessary to satisfy the requirements of applicable laws, and a fidelity bond or bonds on directors, officers, employees, and other persons handling or responsible for the Association's funds, if reasonably available. If obtained, the amount of fidelity coverage shall be determined in the three (3) months' assessments plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and may not be canceled, subjected to nonrenewal, or substantially modified without at least thirty (30) days prior written notice to the Association. The Association shall also obtain construction code endorsements, steam boiler coverage, and flood insurance, if and to the extent necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, and the U.S. Department of Veterans Affairs, or the U.S. Department of Housing and Urban Development.

8.6. Individual Insurance.

By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots, and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket "all-risk" casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an "all-risk" policy, if reasonably available, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. If "all-risk" coverage is not reasonably available, Owners shall obtain, at a minimum, fire and extended coverage. The policies required hereunder shall be in effect at all times. Authority to adjust losses under policies obtained by an Owner shall be vested in the Owner. The losses under policies obtained by an Owner shall be vested in the Owner. The Association shall have the right, but not the obligation, at the expense of the Owner, to acquire the insurance required to be maintained by the Owner if the Owner fails to provide a valid policy to the Association with a prepaid receipt within ten (10) days after receipt by the Owner of a written request from the Association. If the

Association acquires insurance on behalf of any Owner, the cost thereof shall be assessed against the Owner and the Lot as a specific assessment.

8.7. Damage and Destruction -- Insured by Association.

a. In General. Immediately after damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. The Board shall have the enforcement powers specified in this Declaration necessary to enforce this provision.

b. Repair and Reconstruction. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, at least eighty percent (80%) of the Total Association Vote otherwise agree. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed.

c. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the Association's members, levy a special assessment against all Owners in proportion to the number of Lots owned by such Owners. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association.

d. In the event that it is determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the property shall be restored to its natural state and maintained as an undeveloped portion of the Community by the Association in a neat and attractive condition.

8.8. Damage and Destruction -- Insured by Owners.

The damage or destruction by fire or other casualty to all or any portion of any improvement on a lot shall be repaired by the Owner thereof within seventy-five (75) days after

such damage or destruction or, where repairs cannot be completed within seventy-five (75) days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, the Owner may elect to demolish all improvements on the Lot and remove all debris therefrom within seventy-five (75) days after such damage or destruction. In the event of noncompliance with this provision, the Board shall have all enforcement powers specified in this Declaration.

8.9. Insurance Deductible.

The deductible for any casualty insurance policy carried by the Association shall in the event of damage or destruction, be allocated among the Persons who are responsible hereunder, or under any declaration or contract requiring the Association to obtain such insurance, for maintenance of the damaged or destroyed property.

ARTICLE IX. CONDEMNATION

In the event of a taking by eminent domain of any portion of the Common Property on which improvements have been constructed, then, unless within sixty (60) days after such taking, at least seventy-five percent (75%) of the Total Association Vote shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Property to the extent lands are available therefor. The provisions of this Declaration applicable to Common Property improvements damage, shall govern replacement or restoration and the actions to be taken in the event that the improvements are not restored or replaced.

ARTICLE X. ANNEXATION OF ADDITIONAL PROPERTY

10.1. Unilateral Annexation By Declarant.

a. The Declarant shall have the unilateral right, privilege, and option from time to time until five (5) years after the recording of this Declaration to subject to the provisions of this Declaration the following property ("Annexation"):

- i. All or any portion of the real property described in Exhibit "B;"
 - ii. Any property which is adjacent to the property described on Exhibit "A;"
- and
- iii. Any tract of land, of which any portion is located within a five (5) mile radius of the property described in Exhibit "A."

Annexation may be accomplished by filing for record, in the county in which the property to be annexed is located, a Supplementary Declaration describing the property being subjected.

Any such annexation shall be effective upon the filing for record of such Supplementary Declaration unless otherwise provided therein.

Declarant shall have the right, in connection with the annexation of other property, to modify the terms of this Declaration as it may apply to the annexed property.

As long as covenants applicable to the real property previously subjected to this Declaration are not changed and as long as rights of existing Owners are not adversely affected, the Declarant may unilaterally amend this Declaration to reflect the different character of any such annexed real property.

b. The rights reserved unto Declarant to subject additional land to the Declaration shall not impose any obligation upon Declarant to subject any of such additional land to this Declaration or the jurisdiction of the Association. If such additional land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent Owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

10.2. Other Annexation.

Subject to the consent of the Owner(s) thereof and the consent of the Declarant (so long as the Declarant owns any property in the Community or has the right to unilaterally annex additional property to the Community), upon the affirmative vote or written consent, or any combination thereof, of the Owners of at least two-thirds (2/3) of the Lots, the Association may annex real property to the provisions of this Declaration describing the property to be annexed and filed for recording in the land records of the county in which the Community is located. A Supplementary Declaration shall be signed by the President of the Association whose signature shall be attested by the Secretary of the Association, and any such annexation shall be effective only upon the filing for record of such Supplementary Declaration, unless a later effective date is provided therein.

ARTICLE XI. MORTGAGEE PROVISIONS

The following provisions are for the benefit of holders of first Mortgages on Lots in the Community. The provisions of this Section apply to both this Declaration and the By-Laws, notwithstanding any other provisions contained therein.

11.1. Notices of Action.

An institutional holder, insurer, or guarantor of a first Mortgage, who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the Lot number, therefore becoming an "eligible holder"), will be entitled to timely written notice of :

a. Any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Lot on which there is a first Mortgage held, insured, or guaranteed by such eligible holder;

b. Any delinquency in the payment of assessments or charges owed by an Owner of a Lot subject to the Mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided that, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by the owner of the encumbered Lot of any obligation under the Declaration or By-Laws of the Association which is not cured within sixty (60) days; and

c. Any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

11.2. No Priority.

No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Lot in the case of distribution to such owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Property.

11.3. Notice to Association.

Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Lot.

11.4. VA/HUD Approval.

As long as the Declarant has the right to appoint and remove the directors of the Association and so long as the project is approved by the U.S. Department of Housing and Urban Development ("HUD"), or the U.S. Department of Veterans Affairs ("VA"), for insuring or guaranteeing any Mortgage in the Community the following actions shall require the prior approval of the VA or HUD as applicable: annexation of additional property to the Community, except for annexation by Declarant in accordance pursuant to a plan of annexation previously approved by the VA or HUD as applicable; dedication of Common Property to any public entity; mergers and consolidations; dissolution of the Association; and material amendment of the Declaration, By-Laws, or Articles of Incorporation.

11.5. Applicability of Section.

Nothing contained in this Section shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, By-Laws, or North Carolina law for any of the acts set out in this Section.

11.6. Amendments by Board.

Should the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, HUD, or VA subsequently delete any of their respective requirements which necessitate the provisions of this Section or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Section to be recorded to reflect such changes.

ARTICLE XII. EASEMENTS

12.1. Easements for Encroachment and Overhang.

There shall be reciprocal appurtenant easements for encroachment and overhang as between each Lot and such portion or portions of the Common Property adjacent thereto or as between adjacent Lots due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of this Declaration) to a distance of not more than five (5) feet, as measured from any point on the common boundary between each Lot and the adjacent portion of the Common Property or as between adjacent Lots, as the case may be, along a line perpendicular to such boundary at such point. In no event shall an easement for encroachment exist if such encroachment occurred due to willful conduct on the part of an Owner, Occupant, or the Association.

12.2. Easements for Use and Enjoyment.

a. Every Owner of a Lot shall have a right and easement of ingress and egress, use and enjoyment in and to the Common Property which shall be appurtenant to and shall pass with the title to each Lot, subject to the following provisions:

i. The right of the Association to charge reasonable admission and other fees for the use of any portion of the Common Property, to limit the number of guests of Lot Owners and tenants who may use the Common Property, and to provide for the exclusive use and enjoyment of specific portions thereof at certain designated times by an Owner, his family, tenants, guests, and invitees;

ii. The right of the Association to suspend the voting rights of a Owner and the right of an Owner to use the recreational facilities available for use by the Community, if any, for any period during which any assessment against such Owner's Lot which is hereby provided

for remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, By-Laws, or rules and regulations;

iii. The right of the Association to borrow money for the purpose of improving the Common Property, or any portion thereof, or for construction, repairing, or improving any facilities located or to be located thereon, and to give as security for the payment of any such loan a Mortgage conveying all or any portion of the Common Property; provided that, the lien and encumbrance of any such Mortgage given by the Association shall be subject and subordinate to any rights, interests, options, easements, and privileges herein reserved or established for the benefit of Declarant, or any Lot or Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Owner encumbering any Lot or other property located within the Community. Any such Mortgage on the Common Property shall be subject to approval by at least eighty percent (80%) of the Total Association Vote (excluding votes held by the Declarant). Any provision in this Declaration or in any such Mortgage given by the Association to the contrary notwithstanding, the exercise of any rights therein by the holder thereof in the event of a default thereunder shall not cancel or terminate any rights, easements, or privileges herein reserved or established for the benefit of Declarant, or any Lot or Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Owner encumbering any Lot or other property located within the Community;

iv. The right of the Association to dedicate or grant licenses, permits, or easements over, under, and through the Common Property to governmental entities for public purposes; and

v. The right of the Association to dedicate or transfer all or any portion of the Common Property subject to such conditions as may be agreed to by the members of the Association. No such dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer has been approved by the affirmative vote of at least eighty percent (80%) of the Total Association Vote excluding votes held by the Declarant.

b. Delegation. Any Lot Owner may delegate such Owner's right of use and enjoyment in and to the Common Property and facilities located thereon to the members of such Owner's family and to such Owner's tenants and guests and shall be deemed to have made a delegation of all such rights to the occupants of such Owner's Lot, if leased.

12.3. Easements for Utilities.

There is hereby reserved to the Declarant and the Association blanket easements upon, across, above, and under all property within the Community, including all Lots, for access, ingress, egress, installation, repairing, replacing, and maintaining all utilities serving the Community or any portion thereof. This easement shall include, without limitation, gas, water, sanitary sewer, telephone, electricity, cable television, security, as well as storm drainage and any other service or system which the Declarant or the Association might decide to have installed to service the Community. It shall be expressly permissible for the Declarant, the Association, or

the designee of either, as the case may be, to install, repair, replace, and maintain or to authorize the installation, repairing, replacing, and maintaining of such wires, conduits, pipes, cables, and other equipment related to the providing of any such utility or service. Should any party furnishing any such utility or service request a specific license or easement by separate recordable document, the Declarant or the Board, as the case may be, shall have the right to grant such easement.

12.4. Easement for Drainage.

Declarant hereby reserves a perpetual easement across the Community for the purpose of altering drainage and water across the Community for the purpose of altering drainage and water flow. This right shall include, but is not limited to, altering swales, installing drains, drainage ditches, pipes, inlets, headwalls, and altering channeling, or piping waterflow across any Lot or any property in the Community. Rights exercised pursuant to this reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

12.5. Easement for Entry.

In addition to the other rights reserved to Declarant and the Association, the Declarant or the Association shall have the right (but not the obligation) to enter upon any property or Lot within the Community for emergency, security, and safety reasons. This right may be exercised by the Declarant or its designee, any officer of the Board, and all governmental employees, policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner, and the entering party shall be responsible for any damage caused. This right of entry shall include the right of the Board to enter to cure any condition which may increase the possibility of a fire, slope erosion, or other hazard or condition in the event an Owner or Occupant fails or refuses to cure the condition upon request by the Board.

12.6. Easement for Maintenance.

Declarant hereby expressly reserves a perpetual easement for the benefit of Declarant or the Association across such portions of the Community, determined in the sole discretion of the Declarant and the Association, as are necessary to allow for the maintenance required by this Declaration. Such maintenance shall be performed with a minimum of interference to the quiet enjoyment to Owners' property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

12.7. Easement for Entry Features.

There is hereby reserved to the Declarant and the Association an easement for ingress, egress, installation, construction, landscaping, and maintenance of entry features and similar

streetscapes for the Community, over and upon each Lot as more fully described on the recorded subdivision plats for the Community. The easement and right herein reserved shall include the right to cut, remove, and plant trees, shrubbery, flowers, and other vegetation around such entry features and the right to grade the land under and around such entry features.

12.8. Construction and Sale Period Easement.

Notwithstanding any provisions contained in the Declaration, the By-Laws, Articles of Incorporation, use restrictions, rules and regulations, design guidelines, and any amendments thereto, until Declarant's right unilaterally to subject property to this Declaration terminates and thereafter so long as Declarant owns any property in the Community for development or sale, Declarant reserves an easement across the Community for Declarant and any builder or developer approved by Declarant to maintain and carry on, upon such portion of the Community as Declarant may reasonably deem necessary. This reserved easement shall include an easement for such facilities and activities which, in the sole opinion of Declarant, may be required, convenient, or incidental to the development, construction, and sales activities related to property within or near the Community. This easement shall include, without limitation:

- a. The right of access, ingress and egress for vehicular and pedestrian traffic, and construction activities over, under, on, or in any portion of the Community as well as any Lot in the Community;
- b. The right to tie into any portion of the Community with driveways, parking areas, and walkways;
- c. The right to tie into or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain, and repair any device which provides utility or similar services;
- d. The right (but not the obligation) to construct recreational facilities on Common Property;
- e. The right to carry on sales and promotional activities in the Community;
- f. The right to place direction and marketing signs on any portion of the Community, including any Lot or Common Property;
- g. The right to construct and operate business offices, signs, construction trailers, model residences, and sales offices incidental to the construction, development, and sales activities; and
- h. Declarant and any such builder or developer may use residences, offices, or other buildings owned or leased by Declarant or such builder or developer as model residences and

sales offices, and may also use recreational facilities available for use by the Community as a sales office or for marketing purposes without charge. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, and reasonable steps shall be taken to protect such property from damage. Any damage shall be repaired by the Person causing the damage at its sole expense. This Section shall not be amended without the Declarant's express written consent until the Declarant's rights hereunder have terminated as provided in this Declaration.

12.9. Irrigation Easements.

There is hereby reserved to the Declarant and the Association a blanket easement to pump water from ponds, lakes, and other bodies of water located within the Community for irrigation purposes.

12.10. Fence Easement.

Declarant hereby reserves an easement across any Lot which borders upon or contains a portion of any water facility, detention pond, or retention pond for the purpose of access to such facility or pond, and for the purpose of erecting any fence which is either required by the subdivision development and construction plans or governmental regulation, rule, ordinance, or plan approval requirement.

12.11 Easements Under the Master Declaration.

The easements set forth in this Section are in addition to, and not in lieu of, the easements created under or described in the Master Declaration.

ARTICLE XIII. GENERAL PROVISIONS

13.1. Enforcement.

Each Owner and Occupant shall comply strictly with the By-Laws, the rules and regulations, and the use restrictions, as they may be lawfully amended or modified from time to time, and with the covenants, conditions, and restrictions set forth in this Declaration and any such restrictions which may be placed in the deed to such Owner's Lot, if any. In the event of a conflict between the provisions of this Declaration and the By-Laws, the Declaration shall prevail. The Board may impose fines or other sanctions, which shall be collected as provided herein for the collection of assessments. Failure to comply with this Declaration, the By-Laws, or the rules and regulations shall be grounds for an action to recover sums due for damages or injunctive relief, or both, maintainable by the Board of Directors, on behalf of the Association; the Master Association's board of directors, on its behalf; or in a proper case, by an aggrieved Owner. To determine fines and sanctions against Owners, a hearing shall be held before the Board of Directors or an adjudicatory panel appointed by the Board. The Owner shall be given notice of the charge, an opportunity to be heard and to present evidence, and a notice of decision by the Board. If a fine is imposed it may not exceed one hundred and fifty dollars (\$150.00) for

the violation and for each day after the notice of decision that the violation continues. Such fines shall be assessments secured by a lien. If a sanction is imposed it may continue without further hearing until the violation is cured. Failure by the Association or any Owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. The Board shall have the right to record in the appropriate land records a notice of lien, a notice of violation of the Declaration, By-Laws, rules and regulations, use restrictions, or design guidelines and to assess the cost of recording and removing such notice against the Owner who is responsible (or whose Occupants are responsible) for violating the foregoing.

13.2. Self-Help.

In addition to any other remedies provided for herein, the Association or its duly authorized agent shall have the power to enter upon any Lot or any other portion of the Community to abate or remove, using such force as may be reasonably necessary, any structure, thing, or condition which violates this Declaration, the By-Laws, the rules and regulations, or the use restriction. Unless an emergency situation exists, the Board shall give the violating Lot Owner ten (10) days written notice of its intent to exercise self-help. Notwithstanding the foregoing, vehicles may be towed after reasonable notice. All costs of self-help, including reasonable attorneys' fees, shall be assessed against the violating Lot Owner and shall be collected as provided for herein for the collection of assessments.

13.3. Duration.

The covenants and restrictions of this Declaration shall run with and bind the Community, and shall inure to the benefit of and shall be enforceable by Declarant, the Association or any Owner, their respective legal representatives, heirs, successors, and assigns, perpetually to the extent provided by law. If North Carolina law limits the period during which covenants restricting lands to certain uses may run, any provision of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time any such provision shall be automatically extended for successive periods of ten (10) years, unless a written instrument reflecting disapproval signed by the then Owners of two-thirds (2/3) of the Lots and the Declarant (if the Declarant still owns any property in the Community or has the right to annex additional property) is recorded within the year immediately preceding the beginning of a ten (10) year renewal period.

13.4. Amendment.

This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation, or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association, the Department of Housing and Urban Development, the Veterans Administration, or Federal Home Loan Mortgage

Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or private insurance company to insure or guarantee Mortgage Loans on the Lots subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Owner's Lot unless any such Lot Owner shall consent in writing. Further, so long as Declarant has the right unilaterally to subject additional property to this Declaration, Declarant may unilaterally amend this Declaration for any other purpose; provided that, any such amendment shall not materially adversely affect the substantive rights of any Lot Owners hereunder, nor shall it adversely affect title to any Lot without the consent of the affected Lot Owner.

In addition to the above, this Declaration may be amended:

i. For so long as the Declarant owns any property in the Community or has the right to annex additional property, with the affirmative written consent of the Declarant and upon the affirmative vote or written consent, or any combination thereof, of the Owners of at least two-thirds (2/3) of the Lots; and

ii. If the Declarant no longer owns any Property in the Community and no longer has the right to annex additional property, upon the affirmative vote or written consent, or any combination thereof, of the Owners of at least two-thirds (2/3) of the Lots.

13.5. Partition.

The Common Property shall remain undivided, and no Owner nor any other Person shall bring any action for partition or division of the whole or any part thereof without the written consent of all Owners of all portions of the property located within the Community and without the written consent of all holders of all Mortgages encumbering any portion of the property, including, but not necessarily limited to, the Lots located within the Community.

13.6. Gender and Grammar.

The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine pronoun shall include the neuter and feminine.

13.7. Severability.

Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid; but if the application of any provision of this Declaration to any person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application, and to this end, the provisions of this Declaration are declared to be severable.

13.8. Captions.

The captions are inserted only for convenience and are in no way to be construed as defining, limiting, extending, or otherwise modifying or adding to the particular Article or Section to which they refer.

13.9. Perpetuities.

If any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

13.10. Indemnification.

To the fullest extent allowed by applicable North Carolina law, the Association shall indemnify every officer of the Association and director of the Association against any and all expenses, including, without limitation, attorneys' fees, imposed upon or reasonably incurred by any officer or director in connection with any action, suit, or other proceeding to which such officer or director may be a party by reason of being or having been an officer or director. The officers and directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be members of the Association), and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer or director, or former officer or director, may be entitled. This indemnification shall also include attorneys' fees and expenses incurred in enforcing this indemnification. The Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is reasonably available.

13.11. Books and Records.

a. Inspection by Members and Mortgagees. This Declaration, the By-Laws, copies of rules and use restrictions, membership register, books of account, and minutes of meetings of the members of the Board and of committees shall be made available for inspection and copying by Declarant or any member of the Association or by the duly appointed representative of any member and by holders, insurers, or guarantors of any first Mortgage at any reasonable time and for a purpose reasonably related to such Person's interest as a member or holder, insurer, or guarantor of a first Mortgage at the office of the Association or at such other reasonable place as the Board shall prescribe.

b. Rules for Inspection. The Board shall establish reasonable rules with respect to: (1) notice to be given to the custodian of the records; (2) hours and days of the work when such an inspection may be made; and (3) payment of the cost of reproducing copies of documents.

c. Inspection by Directors. Every director shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a director includes the right to make extra copies of documents at the reasonable expense of the Association.

13.12. Financial Review.

A review of the books and records of the Association shall be made annually in the manner as the Board may decide; however, after having received the Board's financial statements at their annual meeting, by a majority of the Total Association Vote, the Owners may require that the accounts of the Association be audited as a common expense by a certified public accountant. Upon written request of any institutional holder of a first Mortgage and upon payment of all necessary costs, such holder shall be entitled to receive a copy of audited financial statements within ninety (90) days of the date of the request.

13.13. Notice of Sale, Lease, or Acquisition.

In the event an Owner sells or leases such Owner's Lot, the Owner shall give to the Association, in writing, prior to the effective date of such sales or lease, the name of the purchaser or lessee of the Lot and such other information as the Board may reasonably require. Upon acquisition of a Lot, each new Owner shall give the Association, in writing, the name and mailing address of the Owner and such other information as the Board may reasonably require.

13.14. Agreements.

Subject to the prior approval of Declarant (so long as Declarant owns any property for development or sale in the Community, or has the right to unilaterally annex additional property to the Community), all agreements and determinations, including settlement agreements regarding litigation involving the Association, lawfully authorized by the Board shall be binding upon all Owners, their heirs, legal representatives, successors, assigns, and others having an interest in the Community or the privilege of possession and enjoyment of any part of the Community.

13.15. Implied Rights.

The Association may exercise any right or privilege given to it expressly by the Declaration, the By-Laws, the Articles of Incorporation, any use restriction or rule, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it therein or reasonably necessary to effectuate any such right or privilege.

ARTICLE XIV. VARIANCES

Notwithstanding anything to the contrary contained herein, the Declarant and the Board or its designee shall be authorized to grant individual variances from any of the provisions of this Declaration, the By-Laws, and any rule, regulation, or use restriction promulgated pursuant thereto if it determines that waiver of application or enforcement of the provision in a particular case would not be inconsistent with the overall scheme of development for the Community.

ARTICLE XV. LITIGATION

No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by at least seventy-five percent (75%) of the Total Association Vote. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens), (b) the imposition and collection of assessments as provided in this Declaration, (c) proceedings involving challenges to ad valorem taxation, or (d) counterclaims brought by the Association in proceedings instituted against it. This Section shall not be amended during the time period when Declarant owns any property for development or sale in the Community, or has the right to unilaterally annex additional property to the Community unless such amendment is made by the Declarant.

ARTICLE XVI. CAPITALIZATION OF ASSOCIATION

Upon acquisition of record title to a Lot by the first Owner other than Declarant or a Builder, a contribution of \$_____ ("Initiation Fee") shall be made by or on behalf of the purchaser to the Association as set forth below. The Initiation Fee shall be in addition to, not in lieu of, any annual or special assessments. The Initiation Fee shall be payable at closing, shall not be prorated, and the Association shall have all rights under the Declaration for enforcement of assessments if it is not paid. The Initiation Fee shall be deposited into an account of the Association and disbursed from that account (a) \$_____ for expenses and costs of the Association in accordance with the Declaration and By-Laws, as amended, and (b) \$_____ of the Initiation Fee shall be held by the Association as a long term "Maintenance Reserve" to be disbursed by the Association for maintenance of any property which the Association is required or permitted to maintain, in its sole discretion. The Initiation Fee referred to in this paragraph is payable only one time, and will not be charged subsequent purchasers of a Lot once paid.

Exhibit "C" By-Laws of the Association

BY-LAWS

OF

ORCHARD LAKE HOMEOWNERS ASSOCIATION, INC.

Article I Name, Membership, Applicability, and Definitions

1.1. Name.

The name of the Association shall be Orchard Lake Homeowners Association, Inc. ("Association").

1.2. Membership.

The Association shall have one class of membership, as is more fully set forth in that Declaration of Protective Covenants for Orchard Lake ("Declaration"), the terms of which pertaining to membership are specifically incorporated by reference herein.

1.3. Definitions.

The words used in these By-Laws shall have the same meaning as set forth in the Declaration, unless the context shall prohibit.

Article II Association: Meetings, Quorum, Voting, Proxies

2.1. Place of Meetings.

Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the members as may be designated by the Board, either in the Community or as convenient thereto as possible and practical.

2.2. First Meeting and Annual Meetings.

An annual or special meeting shall be held within one year from the date the Declaration is recorded. Annual meetings shall be set by the Board so as to occur no later than 60 days after the close of the Association's fiscal year.

2.3. Special Meetings.

The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the Association if so directed by resolution of the Board or upon a petition signed by at least 10% of the Total Association Vote (the consent of the Declarant shall not be required). The notice of any special meeting shall state the date, time, and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting, except as stated in the notice.

2.4. Notice of Meetings.

It shall be the duty of the Secretary to mail or to cause to be delivered to the Owner of each Lot (as shown in the records of the Association) a notice of each annual or special meeting of the Association stating the time and place where it is to be held, the agenda for such meeting, and in the notice of a special meeting, the purpose thereof. If an Owner wishes notice to be given at an address other than the Lot, the Owner shall designate by notice in writing to the Secretary such other address. The mailing or delivery of a notice of meeting in the manner provided in this Section shall be considered service of notice. Notices shall be served not less than 10 nor more than 60 days before a meeting.

2.5. Waiver of Notice.

Waiver of notice of a meeting of the members shall be deemed the equivalent of proper notice. Any member may, in writing, waive notice of any meeting of the members, either before or after such meeting. Attendance at a meeting by a member, whether in person or by proxy, shall be deemed waiver by such member of notice of the time, date, and place thereof, unless such member specifically objects to lack of proper notice at the time the meeting is called to order.

2.6. Adjournment of Meetings.

If any meetings of the Association cannot be held because a quorum is not present, a majority of the members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five nor more than 30 days from the time the original meeting was called. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

2.7. Voting.

The voting rights of the members shall be as set forth in the Articles of Incorporation and the Declaration, and such voting rights are specifically incorporated herein.

2.8. Proxies.

At all meetings of members, each member may vote in person or by proxy. All proxies shall be in writing, dated, and filed with the Secretary before the appointed time of each meeting. Every proxy shall be revocable and shall automatically cease upon conveyance by the member of such member's Lot, or upon receipt of notice by the Secretary of the death or judicially declared incompetence of a member, or of written revocation, or upon the expiration of 11 months from the date of the proxy.

2.9. Quorum.

The presence, in person or by proxy, of 25% of the total eligible Association vote shall constitute a quorum at all meetings of the Association. The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum.

2.10. Action Without A Formal Meeting.

Any action to be taken at a meeting of the members, or which may be taken at a meeting of the members, may be taken without a meeting if one or more written consents setting forth the action so taken shall be signed by members holding at least 80% of the voting power in the Association. Action taken without a meeting shall be effective on the date that the last consent is executed, and consented to by the Declarant, if required, unless a later effective date is specified therein. Each signed consent shall be delivered to the Association and shall be included in the minutes of meetings of members filed in the permanent records of the Association.

2.11. Action By Written Ballot.

Any action to be taken at any annual, regular, or special meeting of members may be taken without a meeting if approved by written ballot as provided herein. The Association shall deliver a written ballot to each member entitled to vote on the matter. The written ballot shall set forth each proposed action and provide an opportunity to vote for or against each proposed action. Approval by written ballot of an action shall be valid only when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting held to authorize such action and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. All solicitations for votes by written ballot shall indicate the number of responses needed to meet the quorum requirements; state the percentage of approvals necessary to approve each matter other than election of directors; and specify the time by which a ballot must be received by the Association in order to be counted. A timely written ballot received by the Association may not be revoked without the consent of the Board. The results of each action by written ballot shall be certified by the Secretary and shall be included in the minutes of meetings of members filed in the Association's permanent records.

The record date for determining members entitled to notice shall be the close of business of the day preceding the date notices are given. The record date for determining members entitled to vote at a meeting shall be the close of business of the business day preceding the date of the meeting. The Association shall prepare an alphabetical list of the names of all its members who are entitled to notice of the meeting. The list must show the address and number of votes each member is entitled to vote at the meeting. Additionally, the Association shall prepare on a current basis through the time of the membership meeting a list of members who are entitled to vote but not entitled to notice. This list shall be made available for any member for the purpose of communication concerning the meeting and shall make the list available at the meeting and any member, member's agent, or member's attorney is entitled to inspect the list at any time during the meeting.

Elected directors shall be nominated from the floor and may also be nominated by a nominating committee, if such a committee is established by the Board. All candidates shall have a reasonable opportunity to communicate their qualifications to the members and to solicit votes.

3.5. Election and Term of Office.

Owner-elected directors shall be elected and hold office as follows:

(a) After the Declarant's right to appoint directors and officers terminates, the Association shall call a special meeting to be held at which Owners shall elect three directors.

(b) Thereafter, directors shall be elected at the Association's annual meeting. All eligible members of the Association shall vote on all directors to be elected, and the candidate(s) receiving the most votes shall be elected.

At the expiration of the initial term of office of each respective Owner-elected director, a successor shall be elected to serve for a term of two years. The directors shall hold office until their respective successors shall have been elected by the Association.

3.6. Removal of Directors.

At any regular or special meeting of the Association duly called, any one or more of the directors may be removed, with or without cause, by a majority of the Total Association Vote and a successor may then and there be elected to fill the vacancy thus created. A director whose removal has been proposed by the Owners shall be given at least ten days' notice of the calling of the meeting and the purpose thereof and shall be given an opportunity to be heard at the meeting. Additionally, any director who has three consecutive unexcused absences from Board meetings or who is delinquent in the payment of an assessment for more than 30 days may be removed by a majority vote of the remaining directors at a meeting. This Section shall not apply to directors appointed by Declarant.

3.7. Vacancies.

Vacancies in the Board caused by any reason, excluding the removal of a director by vote of the Association, shall be filled by a vote of the majority of the remaining directors, even though less than a quorum, at any meeting of the Board. Each person so selected shall serve the unexpired portion of the term.

B. Meetings.

3.8. Organization Meetings.

The first meeting of the Board following each annual meeting of the membership shall be held within ten days thereafter at such time and place as shall be fixed by the Board.

3.9. Regular Meetings.

Regular meetings of the Board may be held at such time and place as shall be determined from time to time by a majority of the directors, but at least four such meetings shall be held during each fiscal year with at least one per quarter. Notice of the regular schedule shall constitute sufficient notice of such meetings.

3.10. Special Meetings.

Special meetings of the Board shall be held when requested by the President, Vice President, or by any two directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each director by one of the following methods: (a) by personal delivery; (b) written notice by first class mail, postage prepaid; (c) by telephone communication, either directly to the director or to a person at the director's home or office who would reasonably be expected to communicate such notice promptly to the director; (d) electronic message, fiber optic, or telecommunication to the director; or (e) by commercial delivery service to such director's home or office. All such notices shall be given or sent to the director's address, telephone number or other place of delivery as shown on the Association's records. Notices sent by first class mail shall be deposited into a United States mailbox at least four days before the time set for the meeting. Notices given by personal delivery, telephone, or telecommunication shall be given at least 48 hours before the time set for the meeting.

3.11. Waiver of Notice.

The transactions of any meeting of the Board, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if (a) a quorum is present, and (b) either before or after the meeting, each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

3.12. Quorum of Board of Directors.

At all meetings of the Board, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board.

3.13. Compensation.

No director shall receive any compensation from the Association for acting as such.

3.14. Open Meetings.

All meetings of the Board shall be open to all members, but members other than directors may not participate in any discussion or deliberation unless expressly so authorized by the Board.

3.15. Executive Session.

The Board may adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved, and orders of business of a similar nature. The nature of any and all business to be considered in executive session shall first be announced in open session.

3.16. Action Without A Formal Meeting.

Unless prohibited by North Carolina law, any action to be taken at a meeting of the directors or any action that may be taken at a meeting of the directors may be taken without a meeting if one or more consents, in writing, setting forth the action so taken, shall be signed by a majority of the directors and delivered to the Association for inclusion in the minutes for filing in the corporate records.

3.17. Telephonic Participation.

One or more directors may participate in and vote during any regular or special meeting of the Board by telephone conference call or similar communication equipment by means of which all persons participating in the meeting can hear each other at the same time, and those directors so participating shall be present at such meeting. Any such meeting at which a quorum participates shall constitute a meeting of the Board.

C. Powers and Duties.

3.18. Powers.

The Board shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do all acts and things as are not by the Declaration, Articles, or these By-Laws directed to be done and exercised exclusively by the members. In addition to the duties imposed by these By-Laws or by any resolution of the Association that may hereafter be adopted, the Board shall have the power to and be responsible for the following, in way of explanation, but not limitation:

- (a) preparation and adoption of an annual budget in which there shall be established the contribution of each Owner to the common expenses;
- (b) making assessments to defray the common expenses and establishing the means and methods of collecting such assessments;
- (c) providing for the operation, care, upkeep, and maintenance of all areas which are the maintenance responsibility of the Association;

- (f) making and amending use restrictions and rules and regulations;
- (g) opening of bank accounts on behalf of the Association and designating the signatories required;
- (h) enforcing by legal means the provisions of the Declaration, these By-Laws, and the rules and regulations adopted by it, and bring any proceedings which may be instituted on behalf of or against the Owners concerning the Association;
- (i) obtaining and carrying insurance against casualties and liabilities, as provided in the Declaration, and paying the premium cost thereof;

(j) paying the cost of all services rendered to the Association or its members which are not directly chargeable to Owners;

(k) keeping books with detailed accounts of the receipts and expenditures affecting the Association and its administration, and specifying the maintenance and repair expenses and any other expenses incurred; and

(l) contracting with any Person for the performance of various duties and functions.

3.19. Management Agent.

The Board may employ for the Association a professional management agent or agents at a compensation established by the Board to perform such duties and services as the Board shall authorize. The Declarant or an affiliate of the Declarant may be employed as managing agent or Manager. The term of any management agreement shall not exceed one year and shall be subject to termination by either party, without cause and without penalty, upon not more than 90 days' written notice.

3.20. Borrowing.

The Board shall have the power to borrow money without the approval of the members of the Association; provided, however, the Board shall obtain membership approval in the same manner as for special assessments, in the event that the proposed borrowing is for the purpose of modifying, improving, or adding amenities, or the total amount of such borrowing exceeds or would exceed ten thousand dollars (\$10,000.00) outstanding debt at any one time.

3.21 Fining or Suspension Procedure.

The Board shall not impose a fine (a late charge shall not constitute a fine) or suspend a member's right to use any part of the Common Property unless and until the following procedure is followed:

(a) Notice. Written notice shall be served upon the violator by first-class or certified mail sent to the last address of the member shown on the Association's records, specifying:

(i) the nature of the violation, the fine or suspension to be imposed, and the date, not less than 15 days from the date of the notice, that the fine or suspension will take effect;

(ii) that the violator may, within ten days from the date of the notice, request a hearing regarding the fine or suspension imposed;

(iii) the name, address, and telephone numbers of a person to contact to challenge the fine or suspension;

(iv) that any statements, evidence, and witnesses may be produced by the violator at the hearing; and

(v) that all rights to have the fine or suspension reconsidered are waived if a hearing is not requested within ten days of the date of the notice.

(b) Hearing. If a hearing is requested, it shall be held before the Board in executive session, and the violator shall be given a reasonable opportunity to be heard. The minutes of the meeting shall contain a written statement of the results of the hearing. No fine or suspension shall be imposed prior to the date that is five days after the date of the hearing.

(c) Enforcement. In any action or proceeding to enforce the Declaration, these By-Laws, the rules and regulations of the Association, or decision of the Board, the Association shall be entitled to recover all expenses from the violator, including all attorney's fees, thus incurred.

Article IV Officers

4.1. Officers.

The officers of the Association shall be a President, Secretary, and Treasurer. Any two or more offices may be held by the same person, excepting the offices of President and Secretary. The President and Treasurer shall be elected from among the members of the Board. The Board may appoint such other officers, including one or more Vice Presidents, Assistant Secretaries, or Assistant Treasurers, as it shall deem desirable.

4.2. Election, Term of Office, and Vacancies.

Except during the period in which the Declarant has the right to appoint the officers of the Association under Section 3.2, the officers of the Association shall be elected annually by the Board at the first meeting of the Board following each annual meeting of the members. A vacancy in any office arising because of death, resignation, removal, or otherwise may be filled by the Board for the unexpired portion of the term.

4.3. Removal.

Any officer may be removed by the Board whenever, in its judgment, the best interests of the Association will be served thereby.

4.4. President.

The President shall be the chief executive officer of the Association and shall preside at all meetings of the Association and of the Board. The President shall have all the general powers

and duties which are incident to the office of the president of a corporation organized under the North Carolina Nonprofit Corporation Code.

4.6. Secretary.

The Secretary shall keep the minutes of all meetings of the Association and of the Board, shall prepare, execute, certify, and record any amendments to the Declaration on behalf of the Association, and shall have charge of such books and papers as the Board may direct and shall, in general, perform all duties incident to the office of the secretary of a corporation organized in accordance with North Carolina law.

4.7. Treasurer.

The Treasurer shall have the responsibility for the Association's funds and securities and shall be responsible for keeping full and accurate financial records and books of account showing all receipts and disbursements, for preparing all required financial statements and tax returns, and for the deposit of all monies and other valuable effects in the name of the Association or the managing agent in such depositories as may from time to time be designated by the Board.

4.8. Resignation.

Any officer may resign at any time by giving written notice to the Board. Such resignation shall take effect on the date of the receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Article V Committees

Committees to perform such tasks and to serve for such periods as may be designated by the Board are hereby authorized. Each committee shall be composed and shall operate in accordance with the terms of the resolution of the Board designating the committee or with rules adopted by the Board.

Article VI Miscellaneous

6.1. Fiscal Year.

The fiscal year of the Association shall be the calendar year unless otherwise determined by resolution of the Board.

6.2. Parliamentary Rules.

Robert's Rules of Order (current edition) shall govern the conduct of all Association proceedings, when not in conflict with North Carolina law, the Articles of Incorporation, the Declaration, these By-Laws, or a ruling made by the person presiding over the proceeding.

6.3. Conflicts.

If there are conflicts or inconsistencies between the provisions of North Carolina law, the Articles of Incorporation, the Declaration, and these By-Laws, the provisions of North Carolina law, the Declaration, the Articles of Incorporation and the By-Laws (in that order) shall prevail.

6.4. Amendment.

These By-Laws may be amended by the Board if such amendment is necessary: (a) to bring any provision hereof into compliance with any applicable governmental statute, rule, regulation, or judicial determination; (b) to enable any title insurance company to issue title insurance coverage with respect to the Lots subject to the Declaration; (c) to meet the requirements of an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to the Declaration; or (d) to enable any governmental agency or private insurance company to insure or guarantee Mortgage loans on the Lots subject to the Declaration.

Further, so long as Declarant has the right unilaterally to subject additional property to the Declaration, Declarant may unilaterally amend these By-Laws for any other purpose; provided, however, such amendment shall not adversely affect the substantive rights or title of any Lot Owner without the consent of the affected Lot Owner.

In addition, these By-Laws may be amended upon the affirmative vote or written consent, or any combination thereof, of at least two-thirds (2/3) of the Total Association Vote.

So long as the U.S. Department of Veterans Affairs (if it is then guaranteeing Mortgages in the Community or has issued a project approval for the guaranteeing of such mortgages) and/or the U.S. Department of Housing and Urban Development (if it is then insuring any Mortgage in the Community or has issued a project approval for the insuring of such mortgages) shall have the right to veto amendments to these By-Laws for as long as the Declarant has the right to appoint and remove the directors and officers of the Association.

Article 5. Purposes and Powers. The Association does not contemplate pecuniary gain or benefit, direct or indirect, to its members. In way of explanation and not of limitation, the purposes for which it is formed are:

(a) to be and constitute the Association to which reference is made in the Declaration, to perform all obligations and duties of the Association, and to exercise all rights and powers of the Association, as set forth in the Declaration, the By-Laws, and as provided by law; and

(b) to provide an entity for the furtherance of the interests of the Owners of property subject to the Declaration.

In furtherance of its purposes, the Association shall have the following powers, which, unless indicated otherwise by the Declaration or By-Laws of the Association, may be exercised by the Board of Directors:

(a) all of the powers conferred upon nonprofit corporations by common law and the statutes of the State of North Carolina in effect from time to time;

(b) all of the powers necessary or desirable to perform the obligations and duties and to exercise the rights and powers set out in these Articles, the By-Laws, and the Declaration, including, without limitation, the following:

(i) to fix, levy, collect, and enforce payment of all charges or assessments authorized by the Declaration by any lawful means; to pay all expenses in connection therewith and all administrative and other expenses incident to the conduct of the business of the Association including all licenses, taxes, or governmental charges levied or imposed against the property of the Association;

(x) to provide any and all supplemental municipal services to the Community as may be necessary or desirable.

The foregoing enumeration of powers shall not limit or restrict in any manner the exercise of other and further rights and powers which may now or hereafter be allowed or permitted by law; and the powers specified in each of the paragraphs of this Article 5 are independent powers, not to be restricted by reference to or inference from the terms of any other paragraph or provision of this Article 5.

The method of election and removal of directors and filling of vacancies and the term of office of directors shall be as set forth in the By-Laws.

Article 8. Liability of Directors. No person who is serving or who has served as a director of the Association shall be personally liable to the Association or any of its members for monetary damages for breach of duty as a director, except for liability with respect to (a) acts or omissions that the director at the time of such breach knew or believed were clearly in conflict with the best interests of the Association, (b) any transaction from which the director derived an improper personal benefit or (c) acts or omissions with respect to which the North Carolina Nonprofit Corporation Act does not permit the limitation of liability. No amendment or repeal of this article, nor the adoption of any provision to these Articles of Incorporation inconsistent with this article, shall eliminate or reduce the protection granted herein with respect to any matter that occurred prior to such amendment, repeal, or adoption.

Article 9. Dissolution. The Association may be dissolved only as provided in the Declaration, By-Laws, and by the laws of the State of North Carolina. If the Association is

dissolved and any mortgage on any portion of the property subject to the Declaration is held, insured, or guaranteed by the Department of Housing and Urban Development ("HUD") or the Veterans Administration ("VA"), then if so required by either HUD or VA, the net assets of the Association shall be dedicated to a public body or conveyed to another nonprofit organization with a purpose similar to that of the Association.
