ELENHEIM WOODS COMMUNITY ASSOCIATION

ARTICLE I

Members

Section 1. Membership Classes.

There shall be the following two (2) classes of membership in the Association:

- (a) CLASS "A": Class "A" Members shall be all Owners. A Class "A" Member shall be entitled to one (1) vote for each Lot owned.
- (b) CLASS "B": The Class "B" Member shall be the Developer.

When ownership of any Lot entitling a Class A Member of the Corporation to vote is owned of record in the name of two (2) or more persons or entities, whether fiduciaries, joint tenants, tenants in common, tenants in partnership, tenants by the entirety or in any other manner of joint or common ownership, or if two (2) or more persons or entities have the same fiduciary relationship respecting the same property (hereinafter a "Tenancy"), then unless the instrument or order appointing them or creating the Tenancy otherwise directs, or a copy thereof is filed with the Secretary of the Corporation, their acts with respect to voting shall have the following effect:

- (a) If only one (1) votes, in person or by proxy, his act shall bind all;
- (b) If more than one (1) votes, in person or by proxy, the act of the majority so voting shall bind all;
- (c) If more than one (1) votes, in person or by proxy, but the vote is evenly split on any particular matter, each fraction shall be entitled to its proportionate share of the vote or votes;
- (d) The principles of this paragraph shall apply, insofar as possible, to execution of proxies, waivers, consents or objections, and for the purpose of ascertaining the presence of a quorum.

Section 2. Voting Rights in the Association.

The Members of the Association shall have the right to vote for the election and removal of Directors and upon such other matters with respect to which a vote of Members is required under

the Covenants, the Articles of Incorporation of the Association or the laws of the State of North Carolina including Chapter 55A, the North Carolina Nonprofit Corporation Act, as amended. The Class B Member shall be entitled to elect the majority of directors until the end of the Period of Declarant Control (as defined in the Covenants) at which time (i) all Owners shall be Class A Members and (ii) the entire Board of Directors shall be elected by the Class A Members.

ARTICLE II

Meeting of Members

Section 1. Annual Meeting.

Beginning in 2009, the annual meeting of the Members shall be held on such date during July of each year as shall be fixed yearly by a resolution of the Board of Directors. Such annual meetings shall be held for the purpose of electing directors and for transaction of such other business as may come before the meeting.

Section 2. Special Meeting.

Special meetings of the Members may be called by the President, the Board of Directors or, subsequent to the first annual meeting, Members of the Association holding not less than one-tenth of the votes.

Section 3. Place of Meeting.

The Board of Directors or the President may designate any location within Durham or Orange County, North Carolina as the place for any annual meeting or special meeting called by the Board of Directors, and the President may designate any location in Durham or Orange County as the place for any special meeting called by him. If no designation is made or if a special meeting is called by the Members of the Association, the place of meeting shall be within Durham County or at the principal office of the Association within Durham County, North Carolina.

Section 4. Notice of Meeting.

Written notice stating the place, day and hour of the meeting, and, in case of a special meeting, the purpose or purposes for which the meeting is called, shall be mailed or delivered not less than ten (10) days nor more than sixty (60) days before the date of the meeting, either personally or by mail, by or at the direction of the President or the Secretary or the person calling the meeting, to each Member of the Association at his address as shown on the records of the Association. If mailed, such notice shall be deemed to be delivered when deposited, postage prepaid, in the United States mail in a sealed envelope properly addressed. A Member may, in a writing, signed by him, waive notice of any meeting before or after the date of the meeting stated therein.

Section 5. Action by Members Without Meeting.

Any action required or permitted by law to be taken at a meeting of the Members of the Association may be taken without a meeting if a consent in writing setting forth the action so taken shall be signed by all of the Members of the Association, which consent shall be filed with the Secretary of the Association as part of the corporate records.

Section 6. Quorum Required for any Action Authorized at Regular or Special Meetings of the Association.

The quorum required for any action which is subject to vote of the Members at a regular or special meeting of the Association shall be as follows:

(a) Except as provided in the Covenants with respect to quorum requirements for a Membership vote required to increase the annual general assessment, the first time a meeting of the Members of the Association is called to vote on any action proposed to be taken by the Association, the presence at the meeting of Members or proxies entitled to cast thirty (30%) percent of the total vote of the Membership required for such action shall constitute a quorum.

(b) If the required quorum is not present at any meeting described in subparagraph (a) above, with the exception of any meeting called to vote on the termination of the Covenants, another meeting or meetings may be called subject to the giving of proper notice and the required quorum at such subsequent meeting or meetings shall be one-half (½) of the required quorum at the preceding meeting.

If a quorum is present, the affirmative vote of a majority of the votes cast is the act of the Members. Unless otherwise provided, any reference hereafter to "votes cast at a duly called meeting" shall be construed to be subject to the quorum requirements established by this Article II, Section 6, and any other requirements for such "duly called meeting" which may be established by the Bylaws of the Association.

Section 7. Conduct of Meetings.

The directors may make such regulations as they deem advisable for any meeting of the Members, including proof of membership in the Association, evidence of the right to vote and the appointment and duties of inspectors of votes. Such regulation shall be binding upon the Association and its Members.

Section 8. Ballots by Mail.

When required by the Board of Directors, there shall be sent with notices of regular or special meetings of the Association, a statement of certain motions to be introduced for vote of the Members and a ballot on which each Member may vote for or against each motion. Each ballot which is presented at such meeting shall be counted in calculating the quorum requirements set out in Section

6 of this Article II. Provided, however, such ballots shall not be counted in determining whether a quorum is present to vote upon motions not appearing on the ballot.

Section 9. Proxies.

All Members of the Association may vote and transact business at any meeting of the Association by proxy authorized as provided in the North Carolina Nonprofit Corporation Act.

All proxies shall be executed in writing by the Member or by his duly authorized attorney-in-fact and filed with the Secretary. No proxy shall extend beyond the date of the meeting for which it is given unless such meeting is adjourned to a subsequent date, and no proxy shall be valid after eleven (11) months from the date of its execution unless otherwise provided in the proxy. Any proxy granted by a Member shall automatically cease upon the termination of such Member's membership in the Association.

ARTICLE III

Directors

Section 1. General Powers.

The affairs of the Association shall be managed by a board of directors of no less than two (2) directors and no more than seven (7). The directors elected by the Class B Member need not be Members of the Association. At least a majority of directors elected by the Class A Members must be Owners.

Section 2. Election and Tenure.

(a) Election of Directors by Members. Election or selection of directors shall be conducted in the following manner:

At each annual meeting (or at a Special Meeting expressly called for election of directors required due to an increase in the number of Members of the Board of Directors), the Members shall elect directors. During the Period of Declarant Control, when the Class B Member is entitled to elect or appoint a majority of the directors, the Class B Member shall elect or appoint at the time of each annual meeting of the Association, no more than a majority of the directors, and the Class A Members shall elect the remaining directors. No later than the termination of the Period of Declarant Control, the Class A Members shall elect all the directors of the Association. Except in the case of death, resignation, removal or disqualification, all directors shall serve until their successor is elected at a subsequent annual meeting. Any vacancy occurring in the initial or any subsequent Board of Directors, other than by increase in the number of Members of the Board of Directors, may be filled at any meeting of the Board of Directors by the affirmative vote of a majority of the remaining directors, though less than a quorum of the Board of Directors, or by a sole remaining director and, if not previously filled, shall be filled at the next succeeding meeting of the Members of the

Association. Any director elected to fill a vacancy, other than by increase in the number of Members of the Board of Directors, shall serve as such until the expiration of the term of the director whose position he was elected to fill. Election of directors by the Board of Directors to fill a vacancy may be conducted by mail ballot if the Board of Directors so determine.

(b) Removal. Any director elected by the Class A Members may be removed by the Class A Members, with or with cause, at any duly called meeting of the Members.

Section 3. Regular and Annual Meetings.

Annual meetings of the Board of Directors shall be held annually immediately following the annual meeting of the Members. The Board of Directors may provide by resolution the time and place for the holding of additional regular meetings of the Board without notice.

Section 4. Special Meetings.

Special meetings of the Board of Directors may be called by or at the request of the President or any two directors by giving notice thereof as provided in Section 5 of this Article III. Such persons calling a special meeting of the Board of Directors may fix any location as the place for holding such special meeting.

Section 5. Notice.

When notice of any meeting of the Board of Directors is required, such notice shall be given at least seven (7) days previous to such meeting by written notice delivered personally or sent by mail to each director at his address as shown on the records of the Association. If mailed, such notice shall be deemed to be delivered when deposited, postage prepaid, in the United States mail in a sealed envelope properly addressed. Any director may waive notice of any meeting before or after the time of the meeting stated therein and attendance of a director at any meeting shall constitute a waiver of notice of such meeting except where a director attends a meeting for the purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted to, nor the purpose of, any regular or special meeting of the Board need be specified in the notice or waiver of notice of such meeting unless specifically required by law, the Articles of Incorporation, these Bylaws or the Covenants.

Section 6. Quorum.

A majority of the Board of Directors shall constitute a quorum for the transaction of business at any meeting of the Board; but if less than a majority of the directors are present at said meeting, a majority of the directors present may adjourn the meeting without further notice.

Section 7. Manner of Acting.

The act of a majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors.

Section 8. Compensation.

Directors as such shall not receive any stated salaries for their services, but by resolution of the Board of Directors any director may be reimbursed for his actual expenses incurred in the performance of his duties as director but nothing herein contained shall be construed to preclude any director from serving the Association in any other capacity and receiving compensation therefor.

Section 9. Action by Written Consent of Directors.

Any action required or permitted by law to be taken at a meeting of directors may be taken without a meeting if a consent in writing setting forth the action so taken shall be signed by all of the directors, which consent shall be filed with the Secretary of the Association as part of the corporate records.

Section 10. Presiding Officer.

The presiding officer of the director's meetings shall be the President of the Association.

Section 11. Resignation.

Any director of the Association may resign at any time by giving written notice of his resignation to the Board or the President or the Secretary of the Association. Any such resignation shall be effective at the time specified therein or, if the time when such resignation is to become effective is not specified therein, immediately upon its receipt.

Section 12. Directors Appointed by Class B Member.

All directors appointed or elected by the Class B Member shall serve at the Class B Member's pleasure, and the Class B Member shall have the absolute right, at any time, and in its sole discretion, to remove any director appointed by it, and to replace such director with another person to serve on the Board.

ARTICLE IV

Powers and Duties of the Board of Directors

Section 1. Powers.

The Board of Directors shall have power to:

(a) adopt and publish rules and regulations governing the use of the Common Areas and the personal conduct of the Members and their guests thereon, and to establish penalties for the infraction thereof;

(b) suspend the voting rights and right to use the Common Areas during any period in which a Member shall be in default in the payment of any general or special assessment levied by the Association. Such rights may also be suspended after notice and hearing, for a period not to exceed sixty (60) days, for infraction of published rules and regulations;

(c) exercise for the Association all powers, duties and authority vested in or delegated to the Association and not reserved to the membership by other provisions of these Bylaws, the Articles of Incorporation or the Covenants;

(d) employ and prescribe the duties of any manager, any independent contractor, or such other employees as they deem necessary to assist the Association in carrying out its duties; and

(e) to borrow money from the Developer and other entities and to execute and deliver promissory notes evidencing such debt. The Board of the Association shall also have the power and authority to mortgage the property of the Association and to pledge any revenues of the Association as security for loans made to the Association. All such loans shall be used by the Association in performing its authorized functions and services; provided that any such mortgage is with the prior written consent of Members (excluding Developer) entitled to cast eighty percent (80%) of the votes of the Association. Notwithstanding any mortgage being placed on the property of the property of the Association, the documents comprising such mortgage shall provide that the mortgagee's rights in and to the use of the property are subordinated to the rights of the Members.

Section 2. Duties.

It shall be the duty of the Board of Directors to:

(a) cause to be kept a complete record of all its acts and corporate affairs and to present a statement thereof to the Members at the annual meeting of the Members, or at any special meeting when such statement is requested in writing by one-fourth (1/4) vote of the Members who are entitled to vote;

(b) supervise all officers, agents and employees of the Association, and to see that their duties are properly performed;

(c) fix the amounts of all general and special assessments as provided and in accordance with the Covenants;

(f) provide for an Architectural Review Committee.

(g) issue, or cause an appropriate officer to issue, upon demand by any person, a certificate setting forth whether or not any general or special assessment has been paid. A reasonable charge may be made by the Board for the issuance of these certificates. If a certificate states a general or special assessment has been paid, such certificate shall be conclusive evidence of such payment;

(h) procure and maintain adequate liability and hazard insurance on property owned or leased by the Association in accordance with N.C.G.S. § 47F-3-113;

(i) cause all officers or employees having fiscal responsibilities to be bonded, as it may deem appropriate;

(j) cause the Common Areas owned by the Association to be maintained or improved;

(k) cause ad valorem taxes and Assessments levied against Common Areas to be paid;
and

(l) prepare and adopt, no fewer than thirty (30) days prior to each Annual Meeting of the Association, a proposed budget outlining anticipated receipts and expenses for the upcoming fiscal year. Within thirty (30) days after the adoption of the proposed budget, the Board of Directors shall provide to all of the Members a summary of the budget and a notice of the meeting (which meeting may be the Annual Meeting) to consider ratification of the budget. The notice shall include a statement that the budget may be ratified without a quorum. The Board of Directors shall set a date for the meeting (which may be the same date as the Annual Meeting) of the Members to consider ratification of the proposed budget, which meeting shall be held no fewer than ten (10) nor more than sixty (60) days after mailing of the summary and notice. There shall be no requirement that a quorum be present at the meeting in order to ratify the proposed budget. The budget is ratified unless at that meeting a majority of all the Members in the Association or any larger vote specified in the Covenants rejects the budget. In the event the proposed budget is rejected, the periodic budget last ratified by the Members shall be continued until such time as the Members ratify a subsequent budget proposed by the Board of Directors.

The Corporation may purchase and maintain insurance to indemnify it against the whole or any portion of the liability assumed by it in accordance with this Article and may also procure insurance, in such amounts as the Board may determine, on behalf of any person who is or was a director or officer of the Corporation, or is or was serving at the request of the Association as a director or officer of another corporation, partnership, joint venture, trust, or other enterprise, against any liability asserted against him and incurred by him in such capacity or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of this Article.

Every reference herein to a director or officer shall include former directors or officers and their respective heirs, executors and administrators. The indemnification hereby provided and provided hereafter pursuant to the power hereby conferred on the Board shall not be exclusive of any other rights to which any person may be entitled, including any right under policies of insurance that may be purchased and maintained by the Association or others, with respect to claims, issues or matters in relation to which the Association would not have the power to indemnify such person under the provisions of this Article.

1. Amendment to Article II

Article II is hereby amended by replacing Section 1 of Article II with the following:

Section 1. Annual Meeting

Beginning in 2014 the annual meeting of the Members shall be held on such date during January of each year as shall be fixed yearly by a resolution of the Board of Directors.
