#### ARTICLE VI

##### COVENANT FOR ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each lot owned within the Property hereby covenants, and every other owner of any lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association:

(a) Annual assessments or charges;

(b) Special assessments for capital improvements.

Such assessments shall be fixed, established, and collected from time to time as hereinafter provided.

The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the lot and improvements against which each such assessment is made. Each such assessment, together with such interest and costs shall also be the personal obligation of the person who was the owner of the lot at the time the assessment fell due. The personal obligation of an owner for delinquent assessments shall not pass to his successors in title unless expressly assumed by

them. All assessments shall be shared equally by the owners of each lot.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for promoting the recreation, health, safety, and welfare of the residents and the Property; enforcing these covenants and the rules of the Association; improving and maintaining the Property and the townhomes situated thereon; and providing the services and facilities for purposes of and related to the use and enjoyment of the limited common area and facilities, including but not limited to the waste water collection, treatment and disposal facilities as required by the North Carolina Department of Environmental Management.

Section 3. Amount of Assessment.

(a) Maximum Annual Assessment. To and including December 31, 1990, the maximum annual assessment shall not be in excess of Six Hundred Sixty and No/100 Dollars (\$660.00) per lot, the exact amount of which shall be determined from time to time as provided in Subsection (d) of this Section 3.

(b) Increase by Association. From and after December 31, 1990, the maximum annual assessment effective for any year may be increased from and after January 1 of the succeeding year by the Board of Directors, without a vote of the membership, by a percentage which may not exceed the percentage increase reflected in the U.S. City Average, Consumer Price Index - United States and Selected Areas for Urban Wage Earners and Clerical Workers, All Items Most Recent Index and Percentage Changes from Selected Dates (published by the U.S. Bureau of Labor Statistics, Washington, D.C.), or such other Index as may succeed the Consumer Price Index, for the twelve-month period ending the immediately preceding July 1. However, in no event shall such increase be greater than twelve percent (12%) in any one year.

(c) Increase by Members. From and after December 31, 1990, the maximum annual assessment may be increased by a percentage greater than that established by the Consumer Price Index formula by an affirmative vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for such purpose, written notice of which, setting forth the purpose of the meeting, shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. The limitations herein set forth shall not apply to any increase in assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

(d) Criteria for Establishing Annual Assessment. In establishing the annual assessment for any assessment year, the Board of Directors shall consider all current costs and expenses of the Association, any accrued debts, and reserves for future needs, but it may not fix the annual assessment in an amount in excess of the sums derived by application of the Consumer Price Index formula provided in Subsection (b) without the consent of members required by Subsection (c) of this Section 3.

(e) Lots Owned by Declarant. Notwithstanding anything in this Article VI to the contrary, all lots owned by Declarant and held for sale shall be assessed at an amount equal to 25% of the actual monthly assessments paid by owners.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the costs of construction or reconstruction, unexpected repair, or replacement of a described capital improvement upon the common area, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which, setting forth the purpose of the meeting, shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting.

Section 5. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all lots, on a per lot basis, and may be collected on a monthly basis.

Section 6. Quorum for any Action Authorized Under Sections 3, and 4. At the first meeting called, as provided in Sections 3 and 4 hereof, the presence at the meeting of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called subject to the notice requirement set forth in Sections 3 and 4, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall be paid in equal monthly installments and the

payment of such shall commence as to each lot on the first day of the second month following the issuance of a building permit on said lot. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. The Association, upon demand at any time, shall furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association.

Any assessments or portion thereof which are not paid when due shall be delinquent. If the assessment or portion thereof is not paid within thirty (30) days after the due date, the same shall bear interest from the date of delinquency at the rate of eight (8%) percent per annum or the maximum lawful rate, whichever is less. The Association may bring an action against the owner personally obligated to pay the same, or foreclose the lien against the property, and, in either event, interest and costs of any such action shall be added to the amount of such assessment. No owner may waive or otherwise escape liability for the assessment provided for herein by non-use of the common area or abandonment of his lot.

Section 9. Subordination of the Lien to Mortgages and Ad Valorem Taxes.

The lien of the assessments provided for herein on any lot shall be subordinate to the lien of the first mortgage, and ad valorem taxes on such lot. Sale or transfer of any lot shall not affect the assessment lien; however, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property.

Any portion of the Property dedicated to, and accepted by, a local public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein, except no land or

improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE VII

MAINTENANCE

Section 1. Association's Responsibility. The Association shall maintain and keep in good repair the Common Area. This maintenance shall include, without limitation, maintenance, repair, and replacement, subject to any insurance then in effect, of all landscaping and grass areas, water, sewer and drainage lines, paving and other improvements situated in the Common Area. The Association shall maintain and keep in good repair all paved or concrete walkways, streets and parking areas located within the Common Area. The Association shall maintain and keep in good repair all electrical, water and sewer lines to the point of delivery of said service to each lot (i.e., electrical and water to the meter and sewer to the cleanout).

In addition to maintenance of the limited common area and any private streets, driveways and parking areas, the Association shall provide exterior maintenance upon each lot which is subject to assessment hereunder, as follows: Stain and/or paint the exterior of townhomes; repair, replace and care for roofs, decks, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, mailboxes, fences in common areas installed by Declarant or the Association, exterior post lights excluding electricity therefor and other such exterior improvements. Such exterior maintenance shall not include glass surfaces, doors and door frames, exterior lighting or fixtures and outlets attached to the units or detached exterior structures.

Any owner who fences or encloses any portion of his lot (which fence or enclosure shall require the prior approval of the Association) may plant trees, shrubs, flowers, and grass in the fenced or enclosed portion as he elects and shall maintain both the interior and exterior sides of the fence as well as the enclosed portion at the owner's expense, provided such maintenance does not hinder the Association in performing its maintenance duties as to the townhome, the remaining yard spaces, or the common area. No such maintenance by an owner shall reduce the assessment payable by him to the Association. If, in the opinion of the Association, any such owner fails to maintain his yard in a neat and orderly manner, the Association may revoke the owner's maintenance rights for a period not to exceed one year and the Association shall perform maintenance during the revocation period. The owner shall not

plant any vegetation in front of his townhome except with the prior written approval of the Association.

Section 2: Owner's Responsibility. Except as provided in Section 1 above, all maintenance of the Unit shall be the responsibility of the Owner thereof. In addition, the Owner shall maintain all pipes, lines, ducts, conduits, or other apparatus which serve only the Unit, whether located within or without a Unit's boundaries (including all gas, electricity, water, sewer or air conditioning pipes, lines, ducts, conduits or other apparatus serving on the Unit). Such maintenance shall be performed consistent with this Declaration. In the event that the Board of Directors of the Association determines that (a) any Owner has failed or refused to discharge properly his obligations with regard to the maintenance, repair, or replacement of items for which he is responsible hereunder; or (b) that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner, his or her family, guests, lessees, or invitees, and is not covered or paid for by insurance, in whole or in part, then, the Association may perform the repair, replacement or maintenance and shall, except in the event of an emergency situation, give the Owner written notice of the Association's intent to provide such necessary maintenance, repair, or replacement, at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repairs, or replacement deemed necessary. The Owner shall have ten (10) days within which to complete such maintenance, repair or replacement or in the event that such maintenance, repair, or replacement is not capable of completion within a ten (10) day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair, or replacement at Owner's sole cost and expense, and all costs shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Unit.

## ARTICLE VIII

PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the townhomes upon the property and placed on the dividing line between the lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any owner who has used the wall may restore it, and if the other owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such owner to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs With Land. The right of any owner to contribution from any other owner under this Article shall be appurtenant to the land and shall pass to such owner's successors in title.

Section 6. Easement and Right of Entry for Repair, Maintenance, and Reconstruction. Every owner shall have an easement and right of entry upon the lot of any other owner to the extent reasonably necessary to perform repair, maintenance, or reconstruction of a party wall. Such repair, maintenance, or reconstruction shall be done expeditiously, and, upon completion of the work, the owner shall restore the adjoining lot or lots to as near the same condition as that which prevailed prior to commencement of the work as is reasonably practicable.

Section 7. Certification With Respect to Contribution. If any owner desires to sell his lot, he may, in order to assure a prospective purchaser that no adjoining owner has a right of contribution as provided in this Article request of the

adjoining owner or owners a certification that no right of contribution exists, whereupon it shall be the duty of each adjoining owner to make such certification immediately upon request and without charge. If the adjoining owner claims the right of contribution, the certification shall contain a recital of the amount claimed and the basis therefor.

Section 8. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, such dispute shall be settled by arbitration as provided under the laws of the State of North Carolina as they now are or are hereafter amended.

#### ARTICLE IX

##### ARCHITECTURAL CONTROL

No building, fence, wall, antenna, clothesline, or other structure shall be commenced, erected, or maintained upon the Property, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the said improvements or alterations shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Declarant or the Board of Directors of the Association or by its Architectural Committee. In the event that the Declarant, the board or the designated committee fail to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to them, approval will not be required and this Article will be deemed to have been fully complied with; provided, that the plans and specifications required to be submitted shall not be deemed to have been received if they contain erroneous data or fail to present accurate information upon which the Declarant, the Board or the committee can arrive at a decision.

The said Declarant, the Board or its committee shall have the right, at their election, to enter upon any lot during construction, erection, or installation of improvements or alterations to inspect the work being undertaken in order to determine that such work is being performed in conformity with the approved plans and specifications and in a good and workmanlike manner, utilizing approved methods and good quality materials.

#### ARTICLE X

##### USE RESTRICTIONS

Section 1. Rules and Regulations. The Board of Directors of the Association

shall have the power to formulate, publish, and enforce reasonable rules and regulations concerning the use and enjoyment of the yard space of each lot and the limited common area. Such rules and regulations, along with all policy resolutions and policy actions taken by the Board of Directors, shall be recorded in a Book of Resolutions, which shall be maintained in a place convenient to the owners and available to them for inspection during normal business hours.

Section 2. Use of Property. All buildings and the common areas and facilities shall be used for residential and related common purposes. No owner shall do or keep anything, nor cause or allow anything to be done or kept, in his townhome or on the common areas and facilities which will result in the cancellation of insurance on any portion of the property, or the contents thereof, or which will be in violation of any law, ordinance, or regulation. No immoral, improper, offensive or unlawful use shall be made of the property, or any part thereof, and all valid laws, ordinances, and regulations of all governmental agencies having jurisdiction thereof shall be observed. Section 4. Waste. No waste shall be committed on any portion of the Common Area or facilities. Nothing shall be done in or to any townhome or in, to, or upon any of the common area and the facilities which will impair the structural integrity of any building, townhome, or portion of the common area and facilities or which would impair or alter the exterior of any building or portion thereof, except in the manner provided in this Declaration.

Section 5. Residential Restriction. No industry, business, trade, occupation, or profession of any kind, whether commercial or otherwise, shall be conducted, maintained, or permitted on any part of the property, except that the Declarant or

its agents may use any unsold townhomes or lease up to two townhomes for sales or model display purposes for this Property.

Section 6. Signs. No owner shall display, or cause or allow to be displayed, to public view any sign, placard, poster, billboard, or identifying name or number upon any townhome, building or any portion of the limited common area and facilities, except as may be allowed by the Declarant or the Board of Directors of the Association; provided, however, that the Declarant and any mortgagee who may become the owner of any unit, or their respective agents, may place "For Sale" or "For Rent" signs on any unsold or unoccupied townhomes.

Section 7. Quiet Enjoyment. No obnoxious or offensive activity shall be carried on upon the property, nor shall anything be done which may be or may become a nuisance or annoyance to residents within the property.

Section 8. Animals. No animals, livestock or poultry of any kind shall be kept or maintained on any lot or in any dwelling except that dogs, cats or other household pets may be kept or maintained; provided, that they are not kept or maintained for commercial purposes and provided further that they are kept in the townhome of the Owner. Further, no pens, runs or pets houses shall be allowed on any lot, on any limited common area, or on the common area.

Section 9. Lease of Townhouse. No townhome shall be leased for transient or hotel purposes, nor may any owner lease less than the entire unit, nor shall any such lease be for any period of less than thirty (30) days. Any lease must be in writing and provide that the terms of the lease and the occupancy of the unit shall be subject in all respects to the provisions of the Declaration of Covenants, Conditions and Restrictions and Bylaws of Kingsley Woods. Any failure by any lessee to comply with the terms of such documents shall be a default under the lease.

Section 10. Antennas and Cablevision. The Association may provide cablevision or central television antennas and the cost of these may be included in annual or special assessments. The Association may regulate or prohibit the erection of antennas on individual lots. No satellite disks shall be erected without prior approval of and installation by the Association.

Section 11. Unsightly or Unkempt Conditions. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pur-

sued or undertaken in any part of the Community.

Section 12. Gardens, Play Equipment, and Pools. Any vegetable garden, hammocks, statuary, play equipment, or pools must be located between the rear of the dwelling and the rear Lot line.

Section 13. Tree Removal. No trees which are left on the Lot at closing shall be removed without the express consent of the Association, except for (a) diseased or dead trees; and (b) trees needing to be removed to promote the growth of other trees.

Section 14. Lighting. Exterior lighting visible from the street shall not be permitted, except for (a) one (1) decorative post light; (b) a street light in conformity with an established street lighting program for the Community; (c) seasonal decorative lights at Christmas; or (d) front house illumination of a model home constructed by the Declarant.

Section 15. Clotheslines, Garbage Cans, Woodpiles, Etc.. All garbage cans, woodpiles, and other similar items shall be located or screened so as to be concealed from view of neighboring Lots, streets, and property located adjacent to the Lot. All rubbish, trash, and garbage shall be regularly removed from the Lot and shall not be allowed to accumulate thereon. Declarant, however, hereby expressly reserves the right to dump and bury construction debris and trees on Lots as needed for efficient construction. No exterior clotheslines shall be located on any lots or the Common Area.

Section 16. Guns. The use of firearms on the Property is prohibited. The term "firearms" includes "B-B" guns, pellet guns, and small firearms of all types.

Section 17. Solar Devices.
